Respondent,

v.

Joshua Dean Rouse  
(your name)

Appellant.

No. 53294-8-11

STATEMENT OF ADDITIONAL  
GROUND FOR REVIEW

I, Joshua Rouse, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

In the 911 call made by Ms. Collier the one and only eye witness. She states the person she observed walking away from the scene is wearing a sleeveless shirt or tank top and has multiple tattoos on both arms. She observed this person from a distance of 6 to 8 feet from her. She also testified to this in trial. I don't have any tattoos on either arm. I showed my arms during trial & Ms. Hopson testified to this fact during trial. Ms. Collier's false testimony is the only evidence linking me to this crime.

Additional Ground 2

If there are additional grounds, a brief summary is attached to this statement.
